Problem:

Your eCourses may not successfully complete in the UC Learning Center LMS using Internet Explorer 10.

Solution:

You will likely see a gray "**broken page**" icon found to the right of the address bar. It allows most websites to work with Internet Explorer 10.

CLICK on the gray "**broken page"** icon to place your session into "Compatibility Mode."

The icon will change to blue, and you should be able to successfully complete your eCourses in the UC Learning Center LMS.
